tropics trendy
smart projects

One of the most critical aspects for any client who wants to engage in the building of a private residence or commercial operation is the *costing and timing* of the whole project and the *sourcing of trustworthy professionals and workers* for the implementation of the same. It is even more challenging when the client is busy working or not residing in Vanuatu during the construction time.

We build concrete benches and feature walls, decking and walkways, steel structures, feature & thatched rooves, white-washed timber, hardwood and plywood ceilings, polished floors and much more...

tropics trendy
smart projects

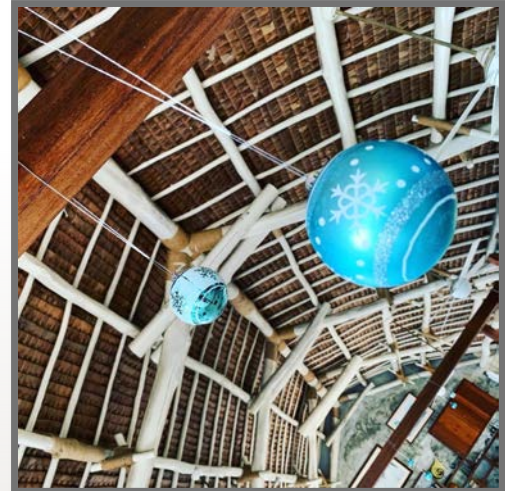

We liaise personally and professionally with the clients to discover their needs, likings and budget before engaging the right Contractors to assign to their project.

From the most LUXURY VILLAS to the MINIMALISTIC and ISLAND STYLE, we develop suitable designs, taking new challenges as steps to grow further.

TROPICS TRENDY WAS FOUNDED BY BUSINESS OWNER FRANCESCA GRILLO AND IT HAS BEEN OPERATING IN VANUATU SINCE 2009

FRANCESCA GRILLO has 5 years high school in interior design and timber work, she is also a qualified lawyer and real estate agent. She has been in the building industry most of her life, including renovations of Italian Villas, building and renovation in Australia and now in Vanuatu where she has designed and managed 9 building projects over 7 years.

FRANCESCA built, managed and operated her restaurant & accommodation business for 8 years and having successfully sold it during the Covid 19 lock down, she is now starting her building business again under Tropics Trendy.

She has arranged a new team of trusted builders and engineers and she continues to apply her passion for design to create new plans and methods based on her experience as well as new trends and technologies available.

If you are looking to build something special, to stand out and to complete your project within your budget and on time, contact Francesca now:

International Building, No. 5 Wharf Road, Port Vila, Vanuatu
